Dear Sir or Madam:

On behalf of American Ballet Theatre, it is my pleasure to thank the Rockley Family Foundation's donation of \$1,000 to ABT's general operations. We truly appreciate the Foundation's generosity, which is certain to help ABT maintain its pursuit of artistic excellence into the future.

As you know, ABT aims to bring the finest in classical dance to the widest possible audience. The Company recently traveled to Muscat, Oman, where ABT debuted as the first American performing arts organization at the Royal Opera House Muscat (ROHM). In addition, the Company made a triumphant return to the newly renovated New York City Center for ABT's Fall Season, which featured significant contemporary works by such choreographers as Paul Taylor and Twyla Tharp.

We are now in the midst of our second annual season featuring ABT Artist in Residence Alexei Ratmansky's *The Nutcracker* at BAM, which critics have strongly praised as "a production like no other." In addition, the Company anticipates an exciting 2012 Spring Season at the Metropolitan Opera House, which will feature such full-length classics as *Giselle*, *La Bayadère*, and *Romeo and Juliet*, as well as Mr. Ratmansky's all-new production of *The Firebird*.

Again, thank you for the Foundation's support of American Ballet Theatre. Should you have any questions or concerns, please do not hesitate to contact me at 212. 477.3030 ext. 1054, or via email (kliu@abt.org).

Warmest regards,

Kathryn Thank you!
