Dear Rockley Family Foundation,

Thanks so much for donating 20 instruments to Bringing Music to Life's 2015 Instrument Drive and giving the gift of music to children in Colorado.

Your Trombone, Cornet, Oboe, two Trumpets, four Violins, five Clarinets and six Flutes were appraised at \$5,300.

This initial stage of the drive was an overwhelming success, with more than 1,000 instruments donated. We are now in the process of fixing the instruments needing repairs, after which we will match instruments with requests from qualifying music programs so they may be given to elementary, middle and high schools in Colorado.

Thanks again for your great generosity.

Sincerely,

Steve Blatt
