

Dear Tobin:

Thank you for your gift to Colorado Christian University. Your continued support allows us to be a magnet for outstanding students from all over the country. CCU is committed to teaching these outstanding students to trust the Bible, live holy lives, and be evangelists to share the great news of our Savior.

Through your generosity we are able to impart these crucial and foundation principles through an excellent Christ-centered education in strategic disciplines that will prepare our students for positions of significant leadership in the church, business, government, and a variety of other professions.

We are continually thankful that God is showing favor on CCU, and we want to show our gratefulness to Him and to you! **We would not be where we are without your support. Thank you!**

Warm Regards,

Paul J. Eldridge, J.D.
