Dear Friends,

You are an important part of the Concordia community. Your gift of \$1,000.00 to the Music Program on June 20, 2017 supports us in our goal to offer a wide array of top quality programs rivaling those found at much larger universities.

Because of you and the others who have supported us, Concordia can provide a haven for nurturing deep faith, pursuing an excellent education, and acquiring valuable experiences.

Because of you, students have access to service-learning opportunities both inside and outside the classroom.

Because of you, Concordia has programs for scholars to attend leadership conferences.

Because of you, we can match students to professional mentors from our alumni and employer community.

Because of you, partnerships are created for students where real world experiences can be learned alongside classroom theory.

Your gift to Concordia University Texas helps make a difference in the lives of our students, and that will impact our community for years to come.

We are grateful for your commitment to education and to CTX, and look forward to telling you more this coming year about all the projects made possible with your support as we *Take the World by Storm*.

Thank you for being part of our community,
