Dear Friends,

Welcome to our community of loyal supporters. Your first gift to San Diego State means a lot as it will help build on the excellence found in our programs. Thank you for your support of the Friends of Music.

Everything in which the university is engaged – research, teaching, faculty and staff activities, athletics, campus life, facilities and new technology – is intended to enable our students to achieve at the highest levels.

Our outstanding programs provide students an opportunity to change their lives and reach their full potential. Your generosity allows us to build on the excellence already found at San Diego State. Thank you for making this possible.

With regards,
