Dear Tobin,

On behalf of all of us here at UNC's College of Performing and Visual Arts, please accept our thanks for your support of the 43rd Annual UNC/Greeley Jazz Festival. Without your support as an equipment sponsor, the festival would not be possible.

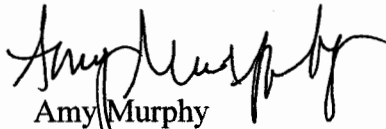

The several digital pianos you provided were integral to both the artistic and educational components of the festival. We received countless positive comments about the quality these instruments. It meant so much to have the pianos at the festival, as we had over 250 groups in attendance this year! Thank you so much for your kindness and generosity!

We are already planning for next year, April 24-26, 2014 and hope we can count on your support again!

Warmly,

Dana Landry
