Dear Sir or Madam:

On behalf of the Department, I would like to express sincere appreciation for your donation of \$1000.

The IRS requires that the following statement be provided for accepting and recording your donation:

The value of benefits received by a donor in connection with a gift reduces the amount the donor may take as a charitable deduction for federal income tax purposes. Under IRS guidelines, the estimated value of the benefits received, if any, in consideration of your gift is not substantial and, therefore, will not affect the deductible amount of your gift as a charitable contribution.

Again, thank you for your support of the UNO Department of Music.

Sincerely,

Melissa Berke  
Chair, Department of Music
