Dear Tobin,

Thank you so much for your recent gift of \$2,000.00 to Wisconsin Lutheran College for the music department.

You help prepare excellent Christian servant leaders. For example, Kathryn Hendee '13, a biology major, is now a graduate student at the Medical College of Wisconsin, pursuing a PhD in cell and developmental biology.

She states: "WLC prepared me to not only be academically successful in graduate school, but also to stand firm in my faith and be a light and witness to my colleagues and those around me. Your generous scholarship support was a large factor in helping my WLC experience come to be. Thank you very much."

We appreciate that you have chosen to share your gifts with WLC so we may prepare Warriors like Kathryn, who make a profound impact on the world around them. If you have any questions, or I can be of service to you, feel free to contact me. May you continue to enjoy God's richest blessings.

In His service with you,

Richard T. Mannisto '94
