Dear Mr. Rockley:

I greatly appreciate your gift of \$2,000 to Metropolitan State University of Denver in support of the Music Department's Piano Development Fund. Our internationally recognized faculty of performers and scholars teach with commitment and passion, focusing on the future success of every student, while engaging the most significant professional music organizations in the region through partnerships, internships, and residencies.

MSU Denver remains a leader in higher education in the state of Colorado and beyond thanks to the commitment of our faculty, staff, donors, alumni, students and friends. We are growing our graduate programs, improving facilities, cultivating an inclusive culture and creating public-private partnerships to continue providing our students with the relevant, accessible and high-quality education they have come to expect. Together, we are helping students run their own road to success.

It is my pleasure to acknowledge your membership in the President's Society, a very special group of donors who make a significant contribution to our students and programs each year. Because MSU Denver has the lowest tuition of all Colorado four-year institutions, your gift at this level makes a tremendous impact, providing more opportunities and experiences for our students as they pursue their educational goals.

Again, thank you for your support.

Sincerely,

Stephen M. Jordan, Ph.D.
President
