Dear Tobin Rockley,

Thanks to our magnanimous donors like you, we were able to award over \$191,396.25 in scholarships to 124 students this past Fall semester, helping deserving students take classes toward their degree without the worry of financial burden.

This incredible achievement would not have been possible without all of the wonderful support we have received from donors like you. These scholarships are more than a relief of financial burden on our students, it is an investment in their future. Of the 124 scholarship recipients, nearly 70% of them have achieved at least a 3.50 GPA and higher. Many of them are sustaining 4.00 GPAs!

I would like to share with you an update on the student recipient(s) receiving the **Rockley Family Scholarship**

This student maintained a GPA of a 3.5 or above during the Fall 2016 semester:  
**Christopher Hollis** **3.70**

We understand that you have many options when it comes to charitable giving, but we also know that as a past supporter of the ACC Foundation, you recognize the importance of what we do. It takes a community to empower a new generation of learners; to build a workforce and to strengthen our economy. When you invest in the ACC Foundation, you are truly MOVING MOUNTAINS.

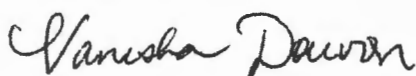

Thanks to the generosity of the Colorado Opportunity Scholarship Initiative (COSI) the ACC Foundation has access to \$489,499 to MATCH your scholarship donation \$1 for \$1! The goal of COSI is to increase graduation rates and the preparedness of Colorado students to earn a livable wage, graduate with less debt and positively contribute to the growth of our state's economy.

Your investment in the Arapahoe Community College Foundation makes a huge difference not only in the life of a student and their family but in our community as a whole. This is the time to magnify your impact and make a difference in more students' lives! Best wishes to you and yours for a healthy, happy year and may prosperous opportunities fill your days.
