Pianos, Digital Pianos & Orchestral Strings
Available for Public Purchase
Thursday, Friday & Saturday, April 19-21, 2018

Dear Auraria Campus Community, Alumni & Friends:

The Department of Music at Metropolitan State University of Denver had the use of new first-class pianos on a no-cost basis for the 2017-2018 school year. This arrangement is provided through a partnership with the Rockley Family Foundation, a not for profit organization dedicated to help support music education. These instruments and instruments made otherwise available will be sold to perpetuate this valuable program and provide scholarship money for the music students.

A large selection of *grands, baby grands, digital player grands, vertical (upright) pianos, digital pianos, keyboards & orchestral strings* will be available from such famous makers as **Steinway & Sons, Yamaha, Pramberger, Baldwin, Seiler, Knabe, Roland, Stravari Fine Violins and many others**. Most instruments are less than one-year old, include a new factory warranty, are tuned, and ready to go. Delivery and special *no-interest financing* is available on site. Moreover, in most cases, a substantial portion of your purchase will be considered as a charitable contribution to the Rockley Family Foundation and may be **TAX DEDUCTIBLE**.*

There are two ways to view and purchase:

- 1) **BY APPOINTMENT:** You are invited to attend a special “pre sale” on Thursday, April 19, Friday, April 20 and the morning of Saturday, April 21, along with our faculty and staff, prior to the general public. This will give you an opportunity to purchase with priority in selection and price reduction. To secure a private appointment time call: **(720) 576-8378**.
- 2) **FINAL SALE DAY:** You may attend the final public day on *Saturday, April 21, from 2:00 PM - 5:00 PM* without an appointment.

This event will be held on the 2nd floor of the Arts Building of the Auraria Campus, Downtown Denver. Park in Lot Holly. For directions visit: www.RockleyFamilyFoundation.org/Metro

In a time where creative solutions are needed to maintain a properly equipped music program, the continuation of this loan program is vital to us in our efforts to further education in the arts. We invite you to take advantage of this wonderful opportunity.
