Dear Randy Brown & The Rockley Foundation,

Thank you so much for your generous donation of the Yamaha Clavinova digital piano. This will be a wonderful instrument to help in our chapels here at the Denver Rescue Mission – Lawrence Street (DRML or The Jesus Saves) downtown. We hold chapel services every evening and twice on Sundays. This piano, valued at over \$2,500, will lift spirits and provide much needed comfort and encouragement to many guests caught in a difficult environment. What a timely blessing your gift was. May God bless you for remembering us. Please keep us in your prayers.

Sincerely,

Chaplain Jay Earl Krebs
