Dear Liane and Tobin,

Thank you for the donation of the rental of two pianos for the Colorado Children's Chorale's 2011 summer residency in Vail. The donation is valued at \$950.

As you know, the summer residency is an important component of the training of the Tour Choir. It is during this week that the children learn the bulk of the music and choreography they will perform throughout the year. They also learn tour protocol and have the opportunity to get to know one another!

We appreciate your support of the Colorado Children's Chorale!

Sincerely,

Diane Newcom  
Executive Director
