Dear Mr. Rockley:

An exciting new chapter has begun at Georgia State. With the Burning Bright campaign, we hope to raise the resources necessary to transform our campus, attract new mentors and researchers from around the world, and expand our renowned student success initiatives to include even more worthy students in search of life-changing opportunities.

We can only achieve those goals with the support of a community of loyal alumni and friends. We extend to you our sincere thanks for being part of that community and giving so generously to Georgia State. By supporting the Burning Bright campaign, you have helped us take another critical step toward becoming one of the world's elite research universities.

Our students and faculty join us in thanking you for helping to ensure that the Georgia State flame remains, indeed, burning bright — today and into the future.

Sincerely,

Dale Palmer
