

Dear Tobin ~

On behalf of the faculty and staff (especially David Weil), I am writing to thank you and the Rockley Family Foundation for your generosity to the Center for Bioethics and Humanities and to the students on the Anschutz Medical Campus. Your gifts have eased and enhanced the busy and difficult lives of our students, and we look forward to a long and mutually beneficial relationship.

Happy 2013!

Pess Lane, Director

Arts & Humanities in HealthCare
