Rockley Music Family Foundation,

On behalf of the Mountain Phoenix Community I would like to say thank you for your donation to our school. The addition of this beautiful baby grand piano to the band room has been a blessing. The students and director now have a wonderful instrument that can be used every day to help support the music culture that is quickly growing at our school. There are many students that have never even seen a baby grand piano, so this addition is broadening their musical horizons and experiences. It will be a great contribution to all the performances and plays that involves every student at our school. The piano itself was donated by Water Stone Community Church, but without the ability to move it to our school, this instrument would have remained unused and unappreciated. Thank you for supporting the music programs in our local schools. It is this kind of community work that helps promote music education for all students.

Thank You

Kevin Kern – Band Director
