

October 4, 2016

Dear Rockley Family Scholarship Donors,

I am very honored to be a recipient of the Rockley Family Scholarship. I am going into the last stretch of my 2 year degree at Arapahoe Community College and I am thrilled to say that I am doing what I love in the Audio Technology field.

I went to Nashville this summer to intern at a studio and was able to put a lot of pieces together through a professional, sustaining studio. After I graduate I plan on starting a studio in Denver specializing in Alternative music and hope to carry it on from there.

Again, I am so thankful to receive this Scholarship and thank you for your donation to the program. I hope to meet you in the near future.

Sincerely,

Christopher Ryan Hollis
