Dear Tobin Rockley,

To the Rockley Foundation, we applaud you and thank you so very much, for this act of kindness, to the students of Light of the World Christian Academy, Atlanta Inc. Thank you also Nadya, for demonstrating kindness, patience, and an update on each instrument.

As a non-profit organization it is a blessing to the students to receive nine instruments for their violin classes. Without your donations of these instruments these students would otherwise not have access to instruments.

Be Blessed!
