

**Pianos, Digital Pianos and Violins
Available for Sale
Thursday, Friday & Saturday, October 11-13, 2018**

Dear Alumni & Friends:

This is written to announce an upcoming sale of musical instruments, the proceeds of which will continue funding an outreach project made possible through a partnership between the School of Music and the Rockley Family Foundation. This exciting initiative provides music instruction and instruments at no charge to students in low-performing Atlanta Public School System schools.

A large selection of grands, baby grands, digital player grands, vertical (upright) pianos, digital pianos, violins, violas and cellos will be available for purchase, and this event will feature instruments from such famous makers as Knabe, Baldwin, Mason & Hamlin, Yamaha, Schimmel, Kohler & Campbell, Roland, Stravari Fine Violins, and other instrument manufacturers, with a discrete selection of used Steinway & Sons pianos. Most instruments are less than one-year old, include a new factory warranty, are tuned and ready to go. Delivery and technical services are provided by Cooper Piano Company and special no-interest financing is available on site. The Rockley Family Foundation is a 501(c)(3) organization and a significant portion of your purchase may be considered a tax-deductible charitable contribution. (You should consult with a tax adviser to determine the individual deductibility of any contribution.)
