

Pianos, Digital Pianos & Violins Available for Public Purchase Thursday, Friday & Saturday, February 14-16, 2019

Dear Alumni & Friends:

The Fine and Performing Arts Department of Baruch College has had the use of new first-class pianos on a no-cost basis for the 2018 school year. This arrangement is provided through a partnership with the Rockley Family Foundation, a not for profit dedicated to help support music education. Instruments provided to other institutions and instruments otherwise made available, will be sold to initiate this valuable program and provide scholarship money for the music students.

A large selection of *grands, baby grands, digital player grands, vertical (upright) pianos, digital pianos, violins, violas and cellos* will be available from such famous makers as **Kawai, Knabe, Shigeru, Stravari Fine Violins, a discrete selection of used Steinway & Sons, Yamaha, and many others.** Most instruments are less than one-year old, include a new factory warranty, are tuned and ready to go. Delivery and special *no-interest financing* is available on-site. Moreover, in most cases, a "substantial portion" of your purchase is considered as a charitable contribution to the Rockley Family Foundation and may be TAX DEDUCTIBLE. *

There are two ways to view and purchase:

- 1) **BY APPOINTMENT:** You are invited to attend a special "private-sale" on Thursday, February 14, Friday, February 15 and the morning of Saturday, February 16 along with our faculty and staff, prior to the general public. This appointment will give you an opportunity to purchase with priority in selection and price reductions. To secure a time call: **(212) 832-8289**.
- 2) You may attend the final sale day on *Saturday, February 16, from 2:00 - 5:00 P.M.* without an appointment.

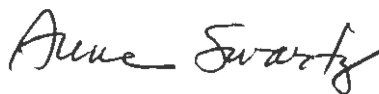

This event will be held on campus in the Performing Arts Center, 55 Lexington Avenue, (25th Street between Lexington & Third Avenues), New York, NY 10010. For directions please call or download a map at www.RockleyFamilyFoundation.org/Baruch

In a time where creative solutions are needed to maintain a properly equipped music program, this collaboration is important to us in our efforts to further education in the arts. We invite you to take advantage of this wonderful opportunity.
