

**Pianos & Digital Pianos Available for Public Purchase  
Thursday, Friday & Saturday, May 2-4, 2019**

Dear Alumni & Friends:

North Carolina State University has had the use of new first-class pianos on a no-cost basis for the 2018-2019 school year. This arrangement is provided through an association with the Rockley Family Foundation, a non-profit organization that helps support music education. These instruments and ones made otherwise available will be sold to perpetuate this valuable program.

A large selection of *grand pianos, baby grands, digital player grands, vertical (upright) pianos, and digital pianos* will be available. This event will feature instruments from such famous makers as ***Kawai, Shigeru Kawai, a selection of vintage Steinway & Sons, Yamaha and many others.*** Most instruments are less than one year old, include a new factory warranty, are tuned, and ready to go. Delivery and technical services are provided by Maus Piano. Special *no-interest financing* is available on site. Moreover, in most cases, a “substantial portion” of your purchase is considered as a charitable contribution to the Rockley Family Foundation and may be TAX DEDUCTIBLE.\*

There are two ways to view and purchase:

- 1) **BY APPOINTMENT**: You are invited to attend a special “pre-sale” on Thursday, May 2, Friday, May 3 and the morning of Saturday, May 4 along with our faculty and staff, prior to the general public. This will give you an opportunity to purchase with priority in selection and price reduction. To secure a time call: **(919) 624-3207**
- 2) **FINAL DAY**: You may attend the final sale day on Saturday, May 4 from 2:00 PM to 5:00 PM without an appointment.

This event will be held at the Price Music Center, 2620 Cates Ave., Raleigh, NC 27695-7311.

In a time where creative solutions are needed to maintain a properly equipped music program, the continuation of this collaboration is important to us in our efforts to further education in the arts. We invite you to take advantage of this wonderful opportunity.

Sincerely,

Daniel G. Monek, Ph.D.  
Professor and Department Head
