Dear Rockley Family Foundation,

Thank you for your continued support of the Department of Music at Metropolitan State University of Denver. This past 2019-20 year you supported our program with a total gift of \$95,600.00, which included the loan and maintenance of our keyboard lab system, including 17 electric pianos with a conference system, valued at \$93,600. In addition, your Foundation donated \$2,000 to our scholarship program.

We are grateful for our partnership with you and appreciate your support of our program and our students.

Thank you,
