Mr. Tobin Rockley
Rockley Family Foundation
PO Box 17930
Golden, CO 80402-6032

Dear Mr. Rockley and Friends at the Rockley Family Foundation,

The Colorado Department of Higher Education states that "43 percent of Colorado's adult population currently lacks education beyond high school " but that "97% of living wage jobs" need a post-secondary degree. "As the need for postsecondary credentials increases, the growing costs of higher education hinder access for too many Coloradans and threaten the state's economic vitality."*

Your investment in the ACC Foundation makes it possible for students to earn these important degrees and certificates to ensure the stability of Colorado's economic future.

Enclosed with this letter you will find a note from a student who received the Rockley Family Scholarship. In their words they describe the impact YOU have made on their life.

As always, I would love to hear from you and invite you to connect with me at 720.440.4666 or Courtney.loehfelm@arapahoe.edu.

Thank you for joining us as we *Climb Together for a stronger tomorrow!*
