Dear Tobin,

Because of you, MSU Denver is a nationally recognized leader for social mobility – a place where students of all ages and backgrounds can build a better, more equitable Colorado through innovative and transformative education. Xitlalic Rodriguez, a member of the Class of 2025, shares her gratitude and is excited to continue her experience of exceptional academic growth and learning at MSU Denver.

Thank you for your investment in MSU Denver. Our faculty and staff empower our nearly 17,000 students to think independently, research complex issues and communicate new knowledge. Our mission is to provide a high-quality, accessible, enriching education that prepares students for successful careers, post-graduate education and lifelong learning in a multicultural, global, and technological society. Because of you, this is possible.

Thank you for your gift of \$2,000.00 in support of Piano Development. Through your generosity, you continue to make a meaningful impact to our campus community.

With gratitude,

Shelley Thompson
