Dear Tobin,

We are so pleased to have the opportunity to partner with the Rockley Family Foundation by hosting an instrument sale on our campus. It was a joy to work with you and your team! We are grateful for your dedication and support of music education programs.

Your generous gift of \$5,000.00 combined with the instrument donation allows the College to better fulfill its mission to connect students, employers, and communities through personalized, high-quality, innovative educational experiences. We thank you for your support of Nashville State and its students.

If you ever have questions about our work or would like to hear more about the impact that your gift has on Nashville State students, please feel free to contact us at (615) 353-3222.
