Dear Mr. Rockley:

On behalf of Nashville Opera, thank you for your in-kind donation. Your generous donation of a Seiler ED186 grand piano is greatly appreciated.

The Nashville Opera is one of the fastest growing opera companies in the nation and we are at an exciting time of expansion. We are particularly proud of *Opera On Tour* that takes a fully staged performance to many students and citizens throughout Middle Tennessee. Last year we visited 20 counties and performed for over 25,000 underserved students. Sponsorships and underwriting allow us to create an extensive study guide, other materials, and provide post-performance workshops. *Opera On Tour* also provides free community performances in Nashville and regionally at major venues, frequently collaborating with other arts organizations.

Thank you for your generous gift so that the Opera's tradition of excellence in education and performance can be maintained.

Sincerely,

A handwritten signature in blue ink that reads 'John Hoomes'.
