Dear Rockley Family Foundation, Inc,

Every year, your support of the University of Missouri-Kansas City overwhelms and inspires us. From the students to the faculty and staff, your giving is the engine behind the excellence and service you see on our campuses. With every step small and large, you are walking with us as our partner in the educational and outreach work that transforms our community.

So much is possible because you have chosen to invest in this place and its people. The diversity of activity inside and outside the classroom does everything from educating Kansas City's workforce to providing cultural enrichment and addressing some of the most pressing needs of our community through public service. We are a traditional public university and a catalyst for positive change throughout our city.

**We thank you for helping us achieve great things.**

Enclosed is an itemized summary of your giving to UMKC in calendar year 2022.

For questions or needs related to your gift summary, please contact the Office of Gift Processing at 816-235-5778.

With gratitude,

Amanda Davis  
President, UMKC Foundation  
Chief Advancement Officer, UMKC
