Rockley Family Foundation
PO Box 17930
Golden, CO 80402-6032

Dear Tobin,

WLC professors help students reach their goals and discover their talents. Our Christian faculty delivers an academic and faith experience that activates our students' potential through coursework and research, during internships, and as students develop their career paths or pursue graduate studies.

Fellow donor and WLC graduate Dave Ross '96 shares: "I support WLC because I want to help other students have the same experience of attending a Christian college where the professors love God and truly care about the students, while still preparing them for excellence in their life after college." Learn more about Dave at wlc.edu/alumnistories.

Thank you for your donation to support our mission. Your gift will help WLC prepare future generations of Christian servant leaders to impact the world.

Your brother in Christ,

Thank you for your great partnership!

*Tobin - Thank you so much for your continued support of our music program!
Vickie*
