Dear Tobin,

We are deeply grateful for your steadfast support of Houston Christian University, our students, and our mission. Your generosity has been instrumental in advancing the values of Christian higher education, expanding our reach, and making 2024 a year of remarkable progress. Each gift, no matter the size, is a meaningful investment in the lives of our students, faculty, staff, alumni, and the broader HCU community.

This year we celebrated a historic milestone with the largest enrollment in the University's history, welcoming 4,276 students in the fall of 2024. This growth is a powerful testament to the strength of our academic programs, our commitment to excellence, and the enduring impact of a Christian education.

We also marked the completion of Founders Hall II, the newest addition to the Morris Family Center for Law & Liberty complex, and we are thrilled to announce the upcoming groundbreaking of the Sherry and Jim Smith Engineering, Science and Nursing Building. This state-of-the-art facility will benefit students in our highly respected engineering, nursing, pre-med and allied health programs.

Every area, from the classroom to athletics, focuses on student success. These achievements are only possible through the generosity of donors like you. Your unwavering support enables HCU to thrive and ensures that we continue to provide students with opportunities to grow academically, spiritually, and personally.

Thank you for being an essential part of Houston Christian University's journey. Together, we are shaping a future filled with promise and purpose for generations to come.

Enclosed is your Year End Giving Statement for the 2024 calendar year.
