Golden, CO 80402-6035

Dear Mr. Rockley,

Lone Star College Foundation helps students every step of the way through their academic journey, whether through tuition scholarships, emergency aid relief or textbook funds. It's donors like YOU that make such an impact possible. What an impact you have made! In the 2023-24 academic year, the Foundation awarded over \$3 million in scholarships and \$3.3 million in program and emergency support.

According to our records, your annual contributions in 2024 totaled \$10,000.00. \$10,000.00 is the deductible amount for these contributions minus the value of goods and services you received. Please retain this letter as verification of your donations for your personal record and for tax purposes.

In 2025, we will continue the Foundation's mission of changing lives, strengthening programs, and building communities. Again, thank you for your support in 2024 and hope to see you at *StarGala* on May 3rd!

Sincerely,

Nicole Robinson Gauthier, CFRE
