Dear Tobin,

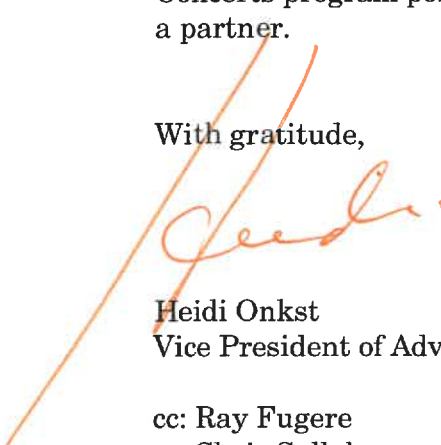

On behalf of everyone at Strathmore, I would like to thank the Rockley Family Foundation for its renewed support of Strathmore's Bloom initiatives and your in-kind support. Thanks in part to your generosity, the Strathmore Student Concerts continue to be free for all second and fifth-graders from Montgomery County Public Schools and provide a once-in-a-lifetime musical experience.

We are deeply grateful for the Foundation's continued investment in these concerts, which give many students their first experience of a live concert, leaving a powerful impression on their overall experience of music and the arts. Thank you again for helping to make the Student Concerts program possible; we are so glad to have you as a partner.

With gratitude,

Heidi Onkst
Vice President of Advancement
